

GDP PPC

The printable version is no longer supported and may have rendering errors. Please update your browser bookmarks and please use the default browser print function instead.

To pull the GDP PPC, the initial steps are the same as pulling for GDP.

A quick refresher:

- Go to the IIASA SSP Database and create your log-in
- Log in and navigate to the *downloads* tab at the top of the page
- Locate the Basic Elements section and download the .csv file containing country data
- Extract the .csv from the .zip file

If you want more detailed instructions, click [here](#) to go the GDP page with complete pull instructions.
